A statement of work (SOW) for the Phase II/IV-A IRP study at the Suffolk County Air National Guard Base in Westhampton Beach, New York was transmitted to EPA on March 26, 1986.

Bob Hargrove has indicated that a meeting to discuss this draft SOW, as well as all attendant issues, has been tentatively set for May 8th or 9th. It is therefore necessary for EPA to provide comments to the State and to the USAF within two weeks. Please submit your comments to me by April 23, 1986.

It should be noted that this case also involves a lawsuit filed by NYS against the USAF. More information on this will be forthcoming.
